-------------------------	-----------------

Comments

Protective strip	Optionally, there is a protection strip for the footrest
-------------------------	--

Deviating stitching	When opting for different stitching colours, this option applies to the entire piece of furniture. If the inside and outside are executed with two different deviating stitching colours, this must be explicitly stated on the order. Deviating stitching is not possible on the decorative stitch Artisan, it always = the colour of the stitching for the outside.
----------------------------	---

Certifications	All sheet materials used in this model comply with the CARB2 requirement or are NAF certified On request foam materials with additional flame retardants can be applied.
